

North Shore Baseball Association Sponsorship Opportunities

Background - About Us

- We are a volunteer run, non-profit organization that provides baseball programs for kids aged 3 to 25 years old.
- Established in 2016 through a merger of two local leagues, we remain committed to creating memories and friendships that last a lifetime.
- We play at various fields across the North Shore including Chris Zuehlke Park; one of the best ball parks on the North Shore. We also play at other parks such as: Eldon, Sowden, Cleveland, Loutet, Norgate and Inter River Park.
- As the largest single league on the North Shore with the largest number of parks, we provide exposure to families from all over the North Shore via our interleague play.
